RE: CONFIDENTIALITY REQUEST FOR THE MODEL R5000-Mmx/58.300.2x200.2x28,
FCC ID X8Q-MMX-5X2328

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the internal photos required to be submitted with this application be withheld from public review for a period of 180 days after grant is issued.

The document contains the information about the product, which we consider to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, we feel that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,
Andrey Koynov
CTO
